Those creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Premiere Pro CS6 choose Adobe Premiere Pro CS6 Classroom in a Book from the Adobe Creative Team at Adobe Press. The 19 project-based lessons in this book show readers step-by-step the key techniques for working in Premiere Pro CS6. Readers learn to take a project from beginning to end where they'll get the basics on things like organizing media, using audio, creating transitions, producing titles, and adding effects. Once they have the basics down, they'll learn how to take their projects further by sweetening and mixing sound, compositing the footage, adjusting color, using multicamera editing techniques, authoring DVDs, and much more. This completely revised CS6 edition covers new features, including the Warp Stabilizer effect for stabilizing uneven, shaky footage. Powerful new trimming techniques are explored in detail and an entire chapter covers the new expanded multicamera editing features. The new interface in Adobe Premiere Pro 6 offers many new capabilities to the editor who needs quick results and this book covers the workflows required to get the job done. Best of all, the companion DVD includes lesson files so readers can work step-by-step along with the book. "The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students." —Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training Classroom in a Book®, the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. Note from the publisher: If you experience any issues accessing the files on the DVD please contact ask@peachpit.com to receive a link to the online file downloads

A guide to the desktop publishing and page layout program covers such topics as working with text, placing graphics, applying and managing color, working with tables, creating an interactive document, and working with other Adobe programs.

Print designers make the transition to multimedia by mastering the interactive capabilities of InDesign with this tutorial-based guide to the new CS5 toolset that integrates with the Adobe Flash platform.

Creative professionals seeking the fastest, easiest, most comprehensive way to learn InDesign CS5 choose Adobe InDesign CS5 Classroom in a Book from the Adobe Creative Team at Adobe Press. The 14 project-based lessons show readers step-by-step the key techniques for working with InDesign CS5. Readers learn what they need to know to create engaging page layouts using InDesign CS5. This completely revised CS5 edition covers the new tools for interactive documents, simplified object selection, multiple page sizes, track text changes, new layers panel, production enhancements, and print to digital capability. The companion CD includes all the lesson files that readers need to work along with the book. This thorough, self-paced guide to Adobe InDesign CS5 is ideal for beginning users who want to master the key features of this program. Readers who already have some experience with InDesign can improve their skills and learn InDesign's newest features. Note from the publisher: FREE Adobe InDesign CS5.5 updates are available for this title. Simply register your product at www.peachpit.com/register and you will receive the updates when they become available.

Got designs on learning InDesign? Let this book-and-video training package be your instructor! Adobe InDesign is a leading design and page layout program that allows you to create and produce stunning publications, from brochures to full-length books. The latest version of InDesign features enhanced features for creating sophisticated page layouts and an executing an efficient workflow. This unique full-color book-and-video training combo makes learning the new features of InDesign less intimidating. Thirteen self-paced lessons explain how to design, produce, and develop a streamlined workflow for page layout. The complementary lessons featured in the downloadable videos are each approximately five minutes long and demonstrate the concepts and features covered in the lesson. Walks you through the basics of designing and developing sophisticated page layouts with the newest release of InDesign Features full-color, step-by-step tutorials in the downloadable videos that complement the topics covered in each lesson of the book Allows you to absorb each lesson at your own pace Adobe InDesign CS5 Digital Classroom is just like having your own personal instructor guiding you through each unique lesson. Note: DVD and other supplementary materials are not included as part of eBook file. These materials are available for download upon purchase.

InDesign CS5 opens the door to a new world: with the addition of exciting animation tools and deeper multimedia support. It's now a viable interactive authoring tool. Designers want to create engaging interactive content, but may resist making the transition from page layout to timeline-based thinking. But now it's much easier: InDesign CS5's new interactive features are intuitive and easy to learn. And once they've mastered those tools in the familiar world of InDesign, they'll find that Flash isn't scary after all. Designers already know how to add text, graphics, and geometric shapes to a page in InDesign, it's a short walk to adding interactive features. Before they know it, they're creating Flash content. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

Get up to speed on the latest features and enhancements to InDesign CS5 As the industry standard in professional layout and design, InDesign delivers powerful publishing solutions for magazine, newspaper, and other publishing fields. This introductory book is an easy-to-understand reference for anyone migrating from another software application or those with little-to-no desktop publishing experience. You'll explore InDesign basics and examine the enhancements to InDesign CS5, while you also discover how pages work, build templates, create frames and shapes, manage styles, and much more. InDesign is proving to be an increasingly popular layout and design application; InDesign CS5 includes new functionality and enhanced tools Teaches all the basics for first-time users, including how to open and save your work, arrange objects, work with color, edit text, manage styles, finesse character details, add special type, import and size graphics, set paths, work with tabs, create indices, and more Demonstrates how to calibrate colors, export PDF files, fine-tune paragraph details, create frames and shapes, manipulate objects, and work with automated text InDesign CS5 For Dummies offers a straightforward but fun approach to discovering how to get the most from your desktop publishing experience when using InDesign.

This thorough, self-paced guide to Adobe InDesign CS3 is ideal for beginning users who want to master the key features of this program, while readers who already have some experience with InDesign can use this book to familiarize themselves with InDesign CS3's newest features. Using step-by-step, project-based lessons, each chapter contains a project that builds upon the reader's growing knowledge of the program, while review questions at the end of each chapter reinforce the most important skills learned in each lesson. The companion CD contains all the assets readers will need to work through each project in the book. Adobe InDesign CS3, Adobe's page layout and design software, has been updated to accelerate user productivity with loads of new features: new Photoshop effects--including gradient feathering, inner shadows, and glows--that you can apply to objects on a page; finer transparency controls, which let you apply transparency settings independently to an object's fill, stroke, and content for more complex visual looks; numerous productivity enhancements; advanced find/change features; new table and cell styles; export to XHTML, and more. Educational instructor notes--created to help teachers plan, organize, and time their lessons--are available for this book (and for other Classroom in a Book titles) at www.peachpit.com/instructorresources. SPECIAL NOTE: Before starting the lessons in the book, visit www.peachpit.com/indesigncs3cib for important lesson and project file updates.
