A proposal to radically change the legal concept of the "reasonable man standard" in order to better protect women from violence and other injustices.

Designed specifically for undergraduate writing, this easy-to-use pocket guide provides complete guidance for new writers on effective, clear, and inclusive scholarly communication and the essentials of formatting papers and other course assignments.

Master APA style and format quickly and easily! Written by experienced psychology instructors Beth M. Schwartz, R. Eric Landrum & Regan A.R. Gurung, who are respected members of the APA 's Teaching of Psychology division, *An EasyGuide to APA Style: Second Edition* provides an easy alternative for anyone struggling with APA style. Written in a clear, conversational, and humorous style, this book presents easy-to-understand explanations of how to write research papers, cite research, and do any work requiring APA format. The authors simplify the process with easy-to-follow advice, tips, and visual representations of how to use APA style. This updated edition includes easy-to-read screen shots as well as guidance on where to find answers to commonly asked student questions.

This easy-to-use pocket guide, compiled from the sixth edition of the "Publication Manual of the American Psychological Association," provides complete guidance on the rules of style that are critical for clear communication.

In *The Lees of Virginia*, Paul Nagel chronicles seven generations of Lees, from the family founder Richard to General Robert E. Lee, covering over two hundred years of American history. We meet Thomas Lee, who dreamed of America as a continental empire. His daughter was Hannah Lee Corbin, a non-conformist in lifestyle and religion, while his son, Richard Henry Lee, was a tempestuous figure who wore black silk over a disfigured hand when he made the motion in Congress for Independence. Another of Thomas' sons, Arthur Lee, created a political storm by his accusations against Benjamin Franklin. Arthur's cousin was Light-Horse Harry Lee, a controversial cavalry officer in the Revolutionary War, whose wild real estate speculation led to imprisonment for debt and finally self-exile in the Caribbean. One of Harry's sons, Henry Lee, further disgraced the family by seducing his sister-in-law and frittering away Stratford, the Lees' ancestral home. Another son, however, became the family's redeeming figure--Robert E. Lee, a brilliant tactician who is still revered for his lofty character and military success. In these and numerous other portraits, Nagel discloses how, from 1640 to 1870, a family spirit united the Lees, making them a force in Virginian and American affairs. Paul Nagel is a leading chronicler of families prominent in our history. His *Descent from Glory*, a masterful narrative account of four generations of Adamses, was hailed by *The New Yorker* as "intelligent, tactful, and spiritually generous," and Pulitzer Prize-winning historian W.A. Swanberg, in the *Chicago Sun-Times*, called it "a magnificent embarrassment of biographical riches." Now, in *The Lees of Virginia*, Nagel brings his skills to bear on another major American family, taking readers inside the great estates of the Old Dominion and the turbulent lives of the Lee men and women.

Packed full of useful exercises, checklists, and how-to sections, this robust lab manual gives students hands-on guidance and practice conducting their own psychological research projects.

Find Success in Nursing School! *Getting The Most From Nursing School* presents a roadmap to guide talented men and women along their journey from considering nursing as a profession to their first position as a registered nurse. This exceptional resource provides the necessary guidance to ensure that students get the most from their education and become excellent care providers, policymakers, educators, and researchers and achieve their goal of improving the health and well-being of others. *Getting The Most From Nursing School* is written by a doctorally prepared nurse, researcher, and professor and can be distinguished by its evidence-based information, its anecdotes, and its empirically grounded recommendations from nurses who have decades of experience in both clinical practice and as educators. Sample chapters include: Why become a nurse? Nursing school is tough...getting through the classes Surviving and succeeding in clinical Preparing for success on the NCLEX
