Careless LoveCareless Love The Unmaking Of

Beginning with Presley's army service in Germany in 1958 and ending with his death in Memphis in 1977, Careless Love chronicles the unravelling of the dream that once shone so brightly, homing in on the complex playing-out of Elvis' relationship with his Machiavellian manager, Colonel Tom Parker. It's a breathtaking revelatory drama that for the first time places the events of a too-often mistold tale in a fresh, believable, and understandable context.

Careless Love: The Unmaking of Elvis Presley: Guralnick ...

Whereas that book covered Elvis's rise to fame and fortune from 1931-1958, "Careless Love: The Unmaking of Elvis Presley" covers the last 19 years of Elvis's life: 1958-1977. Its a long, sad story, and the good news is that the author leaves few stones unturned in his exploration of Elvis Presley's later years and decline.

Careless Love THE Unmaking Of Elvis Presley Fan Made ...

Reading Careless Love you're left with the believable portrait of a man whose extraordinary vocal talent brought him unimagined success - success that prevented Elvis from maturing beyond adolescence. As recording sessions and live engagements become more and more farcical and Elvis' drug use becomes increasingly problematic, Guralnick shows an artist out of control who drives away his closest friends, cheapens his work and frequently rages at the very fans who love him unconditionally.

This is the quintessential American story, encompassing elements of race, class, wealth, sex, music, religion, and personal transformation. Written with grace, sensitivity, and passion, Careless Love is a unique contribution to our understanding of American popular culture and the nature of success, giving us true insight at last into one of the most misunderstood public figures of our times. This enhanced edition includes: Exclusive video footage going further into Colonel Parker's role in Elvis's postwar career as well as the conservation efforts taken to maintain the Presley archive. Rare audio clips featuring audio engineer Billy Porter, musical director Billy Goldenberg, and bassist Jerry Schiff--all influential players in Elvis's post-war career.

This masterful exploration of American roots music--country, rockabilly, and the blues--spotlights the artists who created a distinctly American sound, including Ernest Tubb, Bobby "Blue" Bland, Elvis Presley, Merle Haggard, and Sleepy LaBeef. In incisive portraits based on searching interviews with these legendary performers, Peter Guralnick captures the boundless passion that drove these men to music-making and that kept them determinedly, and sometimes almost desperately, on the road. This enhanced edition includes: Exclusive video footage prepared specifically for the enhanced eBook that has never been seen before. Rare audio clips.

From previously unrevealed details of his childhood in Tupelo, through his rise to success, to his death, a meticulously detailed chronology of Elvis Presley's life and career draws on a rich array of archival material, photographs, documents, letters, artifacts, and memorabilia. 125,000 first printing. Tour.

One of the most influential singers and songwriters of all time, Sam Cooke was among the first to blend gospel music and secular themes--the early foundation of soul music. He was the opposite of Elvis: a black performer who appealed to white audiences, who wrote his own songs, who controlled his own business destiny. No biography has previously been written that fully captures Sam Cooke's accomplishments, the importance of his contribution to American music, the drama that accompanied his rise in the early days of the civil rights movement, and the mystery that surrounds his death. Bestselling author Peter Guralnick tells this moving and significant story, from Cooke's childhood as a choirboy to an adulthood when he was anything but. With appearances by Martin Luther King Jr., Malcolm X, James Brown, Harry Belafonte, Aretha Franklin, Fidel Castro, The Beatles, Sonny and Cher, Bob Dylan, and other central figures of this explosive era, DREAM BOOGIE is a compelling depiction of one man striving to achieve his vision despite all obstacles--and an epic portrait of America during the turbulent and hopeful 1950s and 1960s. The triumph of the book is the vividness with which Peter Guralnick conveys

Read PDF Careless Love The Unmaking Of Elvis Presley Peter Guralnick

the astonishing richness of the black America of this era--the drama, force, and feeling of the story. This enhanced edition includes: Exclusive video footage prepared specifically for the enhanced eBook that has never been seen before. Rare audio clips.

A "sympathetic and exceptionally well-written account" (USA Today), Ray Connolly's biography of the King soars with "spontaneity and electricity" (Preston Lauterbach). Elvis Presley is a giant figure in American popular culture, a man whose talent and fame were matched only by his later excesses and tragic end. A godlike entity in the history of rock and roll, this twentieth-century icon with a dazzling voice blended gospel and traditionally black rhythm and blues with country to create a completely new kind of music and new way of expressing male sexuality, which simply blew the doors off a staid and repressed 1950s America. In *Being Elvis* veteran rock journalist Ray Connolly takes a fresh look at the career of the world's most loved singer, placing him, forty years after his death, not exhaustively in the garish neon lights of Las Vegas but back in his mid-twentieth-century, distinctly southern world. For new and seasoned fans alike, Connolly, who interviewed Elvis in 1969, re-creates a man who sprang from poverty in Tupelo, Mississippi, to unprecedented overnight fame, eclipsing Frank Sinatra and then inspiring the Beatles along the way. Juxtaposing the music, the songs, and the incendiary live concerts with a personal life that would later careen wildly out of control, Connolly demonstrates that Elvis's amphetamine use began as early as his touring days of hysteria in the late 1950s, and that the financial needs that drove him in the beginning would return to plague him at the very end. With a narrative informed by interviews over many years with John Lennon, Bob Dylan, B. B. King, Sam Phillips, and Roy Orbison, among many others, Connolly creates one of the most nuanced and mature portraits of this cultural phenomenon to date. What distinguishes *Being Elvis* beyond the narrative itself is Connolly's more subtle examinations of white poverty, class aspirations, and the prison that is extreme fame. As we reach the end of this poignant account, Elvis's death at forty-two takes on the hue of a profoundly American tragedy. The creator of an American sound that resonates today, Elvis remains frozen in time, an enduring American icon who could "seamlessly soar into a falsetto of pleading and yearning" and capture an inner emotion, perhaps of eternal yearning, to which all of us can still relate. Intimate and unsparing, *Being Elvis* explores the extravagance and irrationality inherent in the Elvis mythology, ultimately offering a thoughtful celebration of an immortal life.
