Cure your low self-esteem and start living happily This definitive guide to self-confidence and self-love will provide you the most practical steps for happy, healthy living. Although many of us wish to boost self-esteem, most of us don't know how. Firstly, we need to understand what it takes. To improve confidence we must change perception. Confidence starts with how we view our world. Every day we are faced with stressors, whether at work, home, or in other areas of our busy lives. If we approach these challenges with low self esteem, doubt, fear and insecurity, we will never flourish! But if we take on these challenges not as obstacles but as opportunities, then we have made the first crucial step. To boost your confidence and low self esteem, you must flip the script. Which is why communication skills training is so integral. Communication skills can be developed both passively and actively, using an array of scientifically supported strategies for success. By expanding our charisma, we can learn how to feel comfortable around anybody, anywhere--meaning that we can then get results with anybody, anywhere. In the end, we become more comfortable in our own skin. Instead of hating ourselves for failures, we learn and grow from our mistakes. We learn to work better with others, to overcome shyness, to pursue with power our greatest goals and wildest dreams. This is what confidence is all about, and if you find yourself lacking this ability--you're not alone! So don't spend another day with low self-esteem. Low self-confidence affects many of us from time to time and at its worst it can have a devastating impact on your life, preventing you from pursuing your dreams and leading the life you want to lead. Even in milder forms, it can impact on your relationships, studies, career, social life and home-life. By recognising what has caused your own low self-esteem and then starting to address negative thoughts and habits that have kept it low, you can gradually build your confidence. Improving your self-confidence will have an enormously positive effect on your life, allowing you to flourish and grow, and taking you a step closer to fulfilling your dreams and ambitions.

Confidence is like a magnet that attracts people to you and helps you get closer to reaching your goals. When you believe in yourself, you send the message that you have the brains, ability, and talent to handle whatever life sends your way. And the truth is, you do! Using powerful skills based in cognitive behavioral therapy (CBT), Think Confident, Be Confident for Teens shows you how to tap into your self-esteem so you can be yourself in every situation, no matter how awkward you feel or scary that may sound. The fun exercises and tips in this confidence-coaching workbook will guide you past feelings of self-doubt and encourage you to believe in yourself, strengthen your friendships, and meet every challenge head-on. • Recognize and overcome the self-doubting thoughts that bring you down • Grow your confident thoughts into confident actions • Enjoy a full social life and attract new friends • Feel smarter at school and build on your extracurricular talents This book has been awarded The Association for Behavioral and Cognitive Therapies Self-Help Seal of Merit — an award bestowed on outstanding self-help books that are consistent with cognitive behavioral therapy (CBT) principles and that incorporate scientifically tested strategies for overcoming mental health difficulties. Used alone or in conjunction with therapy, our books offer powerful tools readers can use to jump-start changes in their lives.

We're told that the key to success in life and business is confidence: believe in yourself, and the world is your oyster. But building confidence can be a challenging task. And, as leading psychologist Tomas Chamorro-Premuzic argues confidence can actually get in the way of achievement - self-esteem is nothing without the competence, the core skills, to back it up. Confidence is feeling capable. Competence is being capable. None of the figures whose success is put down to supreme self-belief - Barack Obama, Madonna, Muhammad Ali - could have achieved their goals without the hard-won skills (and years of training) behind the confidence mask. Successful people are confident because of their success, and not the other way around. Whether you want to improve your social skills, get a promotion or that all-important first job, this game-changing exploration of how to build success, in the mould of Robert Cialdini's Influence, Susan Cain's Quiet and Steven Covey's The 7 Habits of Highly Effective People, will change the way you think about achievement.

Build your self esteem and Be a Happier You! Self-esteem is essential for our survival. Without some measure of self-worth, life can be enormously painful, with many basic needs going unmet. The problem of self-esteem is that humans have the capacity to judge. When you reject parts of yourself, you greatly damage the psychological structures that literally keep you alive. This book will help you to feel better about yourself, achieve greater success, and enjoy your life to the fullest. This is a step-by-step guide filled with straightforward and effective techniques to help you dramatically improves the way you think and feel about yourself. It will help you talk back to your inner critic, realistically assess yourself, and begin to celebrate your personal strengths. If you're ready to tackle the fears that hold you back, this book is your go-to guide. Packed with the most effective skills for assessing and treating anxiety. You will develop a full arsenal of skills for quieting fears and taking charge of your anxious thoughts. Break free from negative self-concepts and self-defeating behavior Deal with mistakes, "should dos," and criticisms Gain self-acceptance and a sense of competence and belonging Understand and overcome your limitations from the past Feel more confident in personal and professional relationships Handle your mistakes and respond well to criticism Foster compassion for yourself and others Set up and achieve goals that will enrich your life Use visualization for self-acceptance Realize that low self-esteem and anxiety can affect every area of a your life but you have the power to change this!
