Lately, Anvikha Punjabi can't seem to get anything right. She is in the middle of ending her second marriage, is barely keeping any friends, and repeatedly getting into trouble at work. And as if all that weren't enough, she must put up with her gregarious and over-bearing 67-year-old mother as a housemate. Afraid that if this goes on, she'll finally unravel completely, Anvikha decides that she needs a break - a Bollywood style, solo-trip across Europe kind of break. What she doesn't expect is that her mother, Smita Punjabi, will insist on coming along. The unlikely duo embarks on a journey complete with nudists, an unwelcome blast from the past, a British dog named Bhindi, and several eligible bachelors, and slowly, what was supposed to be a soul-searching journey for one, turns into a life-altering experience for two.

Australian politics was broken. Continued attempts to appease all had led successive governments to become ineffective and incompetent to govern. All parties had lost touch with general public opinion, listening instead to the vocal minority representing fringe groups. Although the people could see what was happening and were fed up with it, they didn't know what they could do about it, as all current political parties were the same. A chance encounter with an employee at a factory that the prime minister was visiting changed all that. The verbal exchange went viral on YouTube. Encouraged by public reaction and the advice of a close friend, Clive decided to form his own political party and take Australia out of the political abyss it had fallen into. This is his story.

A comprehensive collection of cyberculture pioneer Gareth Branwyn's best work, Borg Like Me spans a 30-year writing career. The book covers Branwyn's coming of age in a commune, his involvement in the 90s zine publishing scene, his tenure at influential cyber arts and culture mags Mondo 2000, bOING bOING, Wired, and his eight years at MAKE, spearheading the growing maker movement. Previously published material is woven throughout with Branwyn's unabashedly honest commentary, personal anecdotes, and original essays. Read about the smart-druggies behind Mondo 2000, impersonating Billy Idol in cyberspace (for Billy Idol), the making of the iconic early 90s hypermedia book, Beyond Cyberpunk, and Branwyn going positively Phillip K. Dick after a heart attack and a bad blood transfusion. Borg Like Me is a smart, passionate, intense trip along the bleeding edges of art, technology, and culture at the turn of the 21st century.

Princess Lu knows that the throne of the Empire of the First Flame rightfully belongs to her. After all, she is the late Emperor's firstborn and has trained for the role all her life. And she can't forget made a promise to shapeshifter Nok, the boy she came to love, to win justice for his now powerless people. But even with an army at her side, Lu will need to face down a major obstacle: the current sitting Empress, her once beloved younger sister, Min. Princess Min used to live in Lu's shadow. But now she can control a powerful, ancient magic, and she's determined to use it to forge her own path and a strong future for the Empire, even if that means making enemies in court. But Min's magic isn't entirely under her control, and she must learn how to tame it before it consumes her. . . . and the entire realm. Lu and Min are set for a confrontation that can't be stopped. But the Empire faces threats greater than their rivalry, and even if they choose to stand together, it could cost them both the throne-or their lives.
