been in town a short while and his name is already on everyone's lips. He's the kind of guy moms' warn their daughters about-the kind that leaves a trail of shattered hearts behind him and he has Olivia in his sights. Olivia has never met anyone as confusing as Seth and his hot and cold attitude constantly sends her reeling. She's never wanted anyone's touch so badly in her life, but having recently come out of a long term relationship diving into another is something she'd prefer to avoid. Determined for his touch, but not to let him under her skin, Olivia embarks on the most thrilling ride of her life.

Olivia did the impossible. She tamed the over-confident Casanova, Seth Marc, turning him into a one woman Romeo. With Seth's first professional fight coming up, she does her best to keep him focused and driven...even if that means withholding sex from him.

I don't know how my life got so twisted. One day, I'm working as a cash guard, shooting the tires off a stolen vehicle, and the next I'm a guard for the only daughter of high-profile mob boss, Marco Ventilli. The twist? I've already met the five-foot-four, one-hundred-and-ten-pound bombshell that is Sera Ventilli. In fact, I've had her every way a man can have a woman, and if her father ever finds out, he'll skin me alive and bury me six feet under the hot sands of Las Vegas. I knew Sera looked like the worst kind of trouble-my gut told me she was-but she swore otherwise, and I lapped up every single lie she fed me, like a Goddamn idiot. All I

had to do was keep the promise I made to my mother on her deathbed. Leave the Army, find a normal job and a good woman, and get on with my life. Yeah. So much for that.

For Ruby Moore life is far more complicated than that of your average teen, for she is in no way average. Ruby is a vampire and her life as a vampire is far from traditional... It has been one year since her normal life was brutally taken from her. Still adjusting to the shock of the change from mortal to immortal, her world is rocked again and she is taken under the wings of a guardian angel back to Sage Sanctum, a school beyond reach from the vampires that are determined to destroy her. There, she is freed from her vampire chains and her normal needs and urges return. However, a new urge arises... Lust. A forbidden lust toward her savior, her guardian angel. Attempting to control these desires is difficult, very difficult and when things couldn't possibly get any worse, her situation becomes life or death as someone, somewhere in the school is aiding those who want her dead.

Sheltered by my political upbringing, I was destined to live a quiet and uneventful life - until James Creed, Vice President of the Devil's Cartel, barreled into my bedroom one hot summer evening. From that night on, I dreamt of leather, oil, and the biker covered in tattoos who rode a motorcycle so loud it hurt my ears. I craved to see the dark side of Exeter where the enigmatic men ran wild and free of the social and lawful expectations that ruled my life. My father's political campaign

revolved around destroying the Devil's Cartel and cleansing the streets of Exeter. So I knew James Creed would always remain out of my reach.....until he wasn't. He was gorgeous, rough, and lethal. And as his hot leather passionately clashed with my delicate cashmere, I knew I had a decision to make, and I was torn. Do I continue to live my mundane life of luxury or give it all up to rule Exeter's underbelly?

How do you win back a love you threw away with a careless text message? How do you win back a girl who can't stand the sight of you? Instead of penning the perfect, heartfelt love letter, or sending bouquets of roses, I followed Cassia from Arizona to New York City and moved in next door to her and her new boyfriend, Nick. Cassia claims her relationship with Nick is built on concrete, that I can't touch what they have, but I see the flash of desire in her eyes whenever she looks at me, feel the quickening of her breath on my face whenever I get close. I know better than to take her lies as truth. Their foundation is built on nothing more than crumbling bricks, and I'm wielding the sledgehammer that will smash it down.

Jai Stone... I met him in the shadows first. He was tall and broad-shouldered, a man walking a dangerous path of rage and revenge, barreling toward certain death. The more time we spent together, the more he showed me who he was. Captivating... Charming... Ferocious in his own way... I had no right following Jai into the abandoned industrial site, but I did, and that stupid mistake was all it took to rip

me from my world of semi-normalcy and thrust me headfirst into the gritty criminal underground with Stone as my only ally. Aboveground, I'm a student nurse painfully dragging herself through an unfulfilling life, but down here, where men wear tattoos on their faces and kill without remorse, I'm a fraud living on borrowed time... ..and not much of it.

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

In the beginning, you have sex. Lots of it. Then, somewhere in the middle, you lose it. Olivia and Seth are stuck in a rut-a busy, sexless rut-and with Valentine's day fast approaching, Olivia wants to force them out of their comfort zones and into fresher waters. Seth, however, believes the trick to recapturing their passion lies in their beginning. With plans in motion this Valentine's day, Seth and Olivia attempt to rekindle their spark. Does Seth have what it takes to sweep Olivia off her feet all over again? Or is the rut too sticky to pull themselves out of?

From the Something So Series comes Michael Horton Being traded after fighting with your coach on air isn't exactly a good look.
