* An Agatha Award Nominee for Best First Novel * A CRACKLING GOOD MYSTERY... "LynDee Walker sure knows her way around a plot twist. She kept me turning pages late into the night, following the rollercoaster adventures of her fashionably feisty heroine...smart, funny, and loaded with surprises." - Laura Levine, Author of the *Jaine Austen Mystery Series* Crime reporter Nichelle Clarke's days can flip from macabre to comical with a beep of her police scanner. Then an ordinary accident story turns extraordinary when evidence goes missing, a prosecutor vanishes, and a sexy Mafia boss shows up with the headline tip of a lifetime. As Nichelle gets closer to the truth, her story gets more dangerous. Armed with a notebook, a hunch, and her favorite stilettos, Nichelle races to splash these shady dealings across the front page before this deadline becomes her last. Praise for *FRONT PAGE FATALITY*: "Delightful, with engaging characters, a crackling good mystery, and of course, high, high heels. LynDee Walker writes with wit and intelligence and the confidence of a newsroom insider. What fun!" - Harley Jane Kozak, *Agatha*, Anthony, and Macavity Award-Winning Author of *Dating Dead Men* and *Keeper of the Moon* "This is a joy to read: Nichelle is a likeable character who does put her nose into whatever seems curious to her...the book can be read in one sitting thanks to the easy and casual language the author has employed in writing the book. Highly recommended to the fans of cozy mysteries!" - *Mystery Tribune* "Gives those designer shoes a workout! Nicey's adventure kept me guessing. Goes down as smooth as hot chocolate with whipped cream." - Alice Loweecey, Author of the *Falcone and Driscoll Investigations* "I loved this book, Nichelle is such a strong character, able to stand up to herself no matter what. The interaction between Bob, her boss, and Nichelle is awesome and you can see how much they care for each other. My favorite part of the book was a fight scene, not going to ruin it for you, that you just have to read." - *Cozy Mystery Book Reviews* Books in the *Headlines in High Heels Humorous Mystery Series*: *FRONT PAGE FATALITY* (#1) *BURIED LEADS* (#2) *DATELINE MEMPHIS* (novella after *BURIED LEADS* in *HEARTACHE MOTEL*) *SMALL TOWN SPIN* (#3) *DEVIL IN THE DEADLINE* (#4) January 2015 Part of the *Henery Press Mystery Series Collection*, if you like one, you'll probably like them all...

When an Armani-clad corpse turns up in the woods, crime reporter Nichelle Clarke smells a scoop. A little digging, and Nichelle uncovers a web of corruption that stretches all the way to Washington, D.C. Politics. Murder. And a dead lobbyist. It's everything Nichelle's ever dreamed of. The cops are playing it close, the feds even closer, and Nichelle's afraid her boss will assign the story to the political desk any day. Richmond's new ATF SuperCop makes an arrest before she can say "Louboutin," but Nichelle's gut says he's got the wrong guy. Her sexy Mafia boss friend warns her off the case, her TV rival is hot on her designer heels, an ambitious copy editor wants her beat, and victims are piling up faster than she can track them down. As Nichelle zeroes in on the truth, it'll take some fancy footwork to nab this headline before the killer nabs her. Part of the *Henery Press Mystery Collection*, if you like one, you'll probably like them all. *BURIED LEADS* is the second in the Nichelle Clarke *Headlines in Heels* humorous mystery series. Don't miss the first, *FRONT PAGE FATALITY*.

Wedding bells are ringing at the Richmond Telegraph, and maid of honor Nichelle Clarke is determined to give her friends the perfect fairytale beginning to their happily ever after. So when a corpse crashes rehearsal weekend, Nichelle ditches her wedding coordinator shoes for her crime reporter ones, and a little poking around turns up a big problem: the victim and the groom have a history, and it's not a pretty one. Evidence against groom Grant Parker piles up, leaving Nichelle wishing a hostile bridesmaid was still her biggest worry as she tries to fend off Richmond's favorite TV reporter--and her own scheming publisher. At odds with the cops, her beloved editor, and the ticking clock, Nichelle races to uncover the truth and save the day before this perfect wedding turns into a funeral. Author Bio: LynDee Walker's award-winning journalistic work has appeared in newspapers and magazines across the U.S. Her debut novel, Front Page Fatality, was nominated for the Agatha Award for Best First Novel. LynDee adores her family, her readers, and enchiladas. She often works out tricky plot points while walking off the enchiladas. She lives in Richmond, Virginia, where she is either playing with her children, working on her next novel, or admiring beautiful shoes she can't wear.

A TOP-NOTCH COZY MYSTERY SERIES... "Nichelle proves herself to be a standout. She has the cynicism of jaded police officers but also the hope of a champion and advocate for justice. Of course, a healthy sense of humor always helps. Readers who enjoy the outstanding novels of Pulitzer Prize-winning journalist Edna Buchanan will find themselves similarly entertained by this stellar series by another award-winning journalist." - Kings River Life Magazine When the Richmond police offer an exclusive in exchange for help with a case, nothing-not even a costume party-stops crime reporter Nichelle Clarke from making Manolo tracks to the crime scene. The hunt leads her to a televangelist's compound in the Virginia countryside where the Reverend may be more interested in fat stacks of cash than he is saving wayward souls. With two sexy guys tangled up in Nichelle's story-and in her heart-work and love are on a crash course for disaster. Pressure pours in from every corner, including a faceless new competitor that means the deadline is always five minutes ago. As secrets threaten and the truth becomes her lifeline, Nichelle must unmask the killer and nail down the story before she's snared in the carefully-constructed web. Praise for DEVIL IN THE DEADLINE: "Walker's journalistic background fuels her snappy dialogue, thrill-of-the-chase plotting, and A-List fashion sense. Headlines in High Heels is a top-notch cozy mystery series readers will enjoy slipping into." - Julia Spencer-Fleming, New York Times and USA Today Bestselling Author of Through the Evil Days "Nichelle proves herself to be a standout. She has the cynicism of jaded police officers but also the hope of a champion and advocate for justice. Of course, a healthy sense of humor always helps. Readers who enjoy the outstanding novels of Pulitzer Prize-winning journalist Edna Buchanan will find themselves similarly entertained by this stellar series by another award-winning journalist." - Kings River Life Magazine "When the answers are all revealed, they come together in a nice little package that is wrapped up neatly for the reader. Even so, it leaves questions for Nichelle, which, I am sure, will be carried into the next book in this series. Recommended." - Any Good Book "Walker just continues to get better and better with the Headlines in High Heels series. My patience will be sorely tested by October 2015 " - Lyn Faulkner, NetGalley Reviewer Books in the Headlines in High Heels Mystery Series: FRONT PAGE FATALITY (#1) BURIED LEADS (#2) DATELINE MEMPHIS (novella after BURIED LEADS in HEARTACHE MOTEL) SMALL TOWN SPIN (#3) DEVIL IN THE DEADLINE (#4) Part of the Henery Press Mystery Series Collection, if you like one, you'll probably like them all...

William Faulkner has enjoyed a secure reputation as American modernism's foremost fiction writer, and as a landmark figure in international literary modernism, for well over half a century. Less secure, however, has been any scholarly consensus about what those modernist credentials actually entail. Over recent decades, there have been lively debates in modernist studies over the who, what, where, when, and how of the surprisingly elusive phenomena of modernism and modernity. This book broadens and deepens an understanding of Faulkner's oeuvre by following some of the guiding questions and insights of new modernism studies scholarship into understudied aspects of Faulkner's literary modernism and his cultural modernity. *William Faulkner and the Faces of Modernity* explores Faulkner's rural Mississippians as modernizing subjects in their own right rather than mere objects of modernization; traces the new speed gradients, media formations, and intensifications of sensory and affective experience that the twentieth century brought to the cities and countryside of the US South; maps the fault lines in whiteness as a racial modernity under construction and contestation during the Jim Crow period; resituates Faulkner's fictional Yoknapatawpha County within the transnational counter-modernities of the Black Atlantic; and follows the author's imaginative engagement with modern biopolitics through his late work *A Fable*, a novel Faulkner hoped to make his 'magnum o.' By returning to the utterly uncontroversial fact of Faulkner's modernism with a critical sensibility sharpened by new modernism studies, *William Faulkner and the Faces of Modernity* aims to spark further reappraisal of a distinguished and quite dazzling body of fiction. Perhaps even make it new.

The Wright brothers have long received the lion's share of credit for inventing the airplane. But a California scientist succeeded in flying gliders twenty years before the Wright's powered flights at Kitty Hawk in 1903. *Quest for Flight* reveals the amazing accomplishments of John J. Montgomery, a prolific inventor who piloted the glider he designed in 1883 in the first controlled flights of a heavier-than-air craft in the Western Hemisphere. Re-examining the history of American aviation, Craig S. Harwood and Gary B. Fogel present the story of human efforts to take to the skies. They show that history's nearly exclusive focus on two brothers resulted from a lengthy public campaign the Wrights waged to profit from their aeroplane patent and create a monopoly in aviation. Countering the aspersions cast on Montgomery and his work, Harwood and Fogel build a solidly documented case for Montgomery's pioneering role in aeronautical innovation. As a scientist researching the laws of flight, Montgomery invented basic methods of aircraft control and stability, refined his theories in aerodynamics over decades of research, and brought widespread attention to aviation by staging public demonstrations of his gliders. After his first flights near San Diego in the 1880s, his pursuit continued through a series of glider designs. These experiments culminated in 1905 with controlled flights in Northern California using tandem-wing Montgomery gliders launched from balloons. These flights reached the highest altitudes yet attained, demonstrated the effectiveness of Montgomery's designs, and helped change society's attitude toward what was considered "the impossible art" of aerial navigation. Inventors and aviators working west of the Mississippi at the turn of the twentieth century have not received the recognition they deserve. Harwood and Fogel place Montgomery's story and his exploits in the broader context of western aviation and science, shedding new light on the reasons that California was the epicenter of the American aviation industry from the very beginning.

This book approaches the prevention of fatal incidents in outdoor education and related fields through detailed study of past tragedies. Although safety in many fields is built on accumulated lessons from past incidents, tragedies on school or youth group camps and excursions are so infrequent and so widely scattered that knowledge from previous incidents can elude those who would benefit. Nevertheless, the emergence of unlearned lessons from the past weighs heavily when those affected by a tragedy judge whether an incident should have been prevented. This book provides a foundation for a detailed and comprehensive understanding of fatality prevention in outdoor education, and in youth camps and excursions. It compiles, examines, and analyses information on fatal incidents that have occurred over many decades, involving many kinds of groups and endeavours, from around the globe. No previous work has attempted this task.

Cryptic online messages and a murder in a swanky condo complex don't strike crime reporter Nichelle Clarke as related--until a gunman sends a hospital into chaos. "...if you're a fan of mystery, you simply must read this series..." Perfect for fans of James Patterson, J.D. Robb, and Melinda Leigh. When a body is discovered in a high-rise in Richmond, Virginia, crime reporter Nichelle Clarke races to the scene. The victim is a brilliant doctor with an unusual past. But before Nichelle can decide what to make of the murder, the local police radio is filled with a dreaded distress call. There is an active shooter at a nearby hospital. The gunman has taken hostages on a patient floor, and gives the police a single demand: He wants to speak with Nichelle. In person. What readers are saying about COVER SHOT: ?????
