Gomorrah Saviano English - url.queensgaragedoors.co

Gomorrah tells what happens when organized crime infiltrates every aspect of the economy and social life, as it has done in Southern Italy. Saviano, a native son of Naples, provides an insider personal account of the social and human costs of living in a mafia dominated culture.

Gomorrah Saviano English - 1x1px.me

Since publishing his searing expose of their criminal activities, the author has received so many death threats from the Camorra that he has been assigned police protection. In pursuit of his subject, Saviano worked as an assistant at a Chinese textile manufacturer and on the construction site, both controlled by "the System".

“ Zero zero zero ” flour is the finest, whitest available. “ Zero zero zero ” is also the nickname among narcotraffickers for the purest, highest quality cocaine on the market. And it is the title of Roberto Saviano ’ s unforgettable exploration of how the cocaine trade knits the world into its dark economy and imposes its own vicious rules and moral codes on its armies and, through them, on us all. Saviano ’ s Gomorrah, his explosive account of the Neapolitan mob, the Camorra, was a worldwide publishing sensation. It struck such a nerve with the Camorra that Saviano has lived with twenty-four hour police protection in the shadow of death threats for more than seven years. During this time he has become intimate with law enforcement agencies around the world. Saviano has broadened his perspective to take in the entire global “ corporate ” entity that is the drug trade in cooperation with law enforcement officials, who have fed him information and sources and used him to guide their own thinking and tactics. Saviano has used this extraordinary access to feed his own groundbreaking reportage. The result is a truly amazing and harrowing synthesis of intimate literary narrative and geopolitical analysis of one of the most powerful dark forces in the global economy. In Zero Zero Zero, Saviano tracks the shift in the cocaine trade ’ s axis of power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances, first with the Italian crime syndicates, then with the Russians, Africans, and others. On the one hand, he charts an astonishing increase in sophistication and diversification as these criminal entities diversify into many other products and markets. On the other, he reveals the threat of violence to protect and extend power and how the nature of the violence has grown steadily more appalling. Saviano is a journalist of rare courage and a thinker of impressive intellectual depth and moral imagination, able to see the connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. As heart racing as it is heady, Zero Zero Zero is a fusion of a variety of disparate genres into a brilliant new form that can only be called Savianoesque.

In Gomorrah, a New York Times Book Review Notable Book of the Year, Roberto Saviano revealed a true, devastating portrait of Naples, Italy under the rule of the Camorra, a crime organization more powerful and violent than the Mafia. In The Piranhas, the international bestselling author returns to his home city with a novel of gang warfare and a young man ’ s dark desire to rise to the top of Naples ’ s underworld. Nicolas Fiorillo is a brilliant and ambitious fifteen-year-old from the slums of Naples, eager to make his mark and to acquire power and the money that comes with it. With nine friends, he sets out to create a new paranza, or gang. Together they roam the streets on their motorscooters, learning how to break into the network of small-time hoodlums that controls drug-dealing and petty crime in the city. They learn to cheat and to steal, to shoot semiautomatic pistols and AK-47s. Slowly they begin to wrest control of the neighborhoods from enemy gangs while making alliances with failing old bosses. Nicolas ’ s strategic brilliance is prodigious, and his cohorts ’ rapid rise and envelopment in the ensuing maelstrom of violence and death is riveting and impossible to turn away from. In The Piranhas, Roberto Saviano imagines the lurid glamour of Nicolas ’ s story with all the vividness and insight that made Gomorrah a worldwide sensation. “ With the openhearted rashness that belongs to every true writer, Saviano returns to tell the story of the fierce and grieving heart of Naples. ” —Elena Ferrante

Roberto Saviano returns to the streets of Naples and the boy bosses who run them in Savage Kiss, the hotly anticipated follow-up to The Piranhas, the bestselling novel and major motion picture Nicolas Fiorilla and his gang of children – his paranza – control the squares of Forcella after their rapid rise to power. But it isn't easy being at the top. Now that the Piranhas have power in the city, Nicolas must undermine the old families of the Camorra and remain united among themselves. Every paranzino has his own vendettas and dreams to pursue—dreams that might go beyond the laws of the gang. A new war may be about to break out in this city of cutthroat bargaining, ruthless betrayal, and brutal revenge. Saviano continues the story of the disillusioned boys of Forcella, the paranzini ready to give and receive kisses that leave a taste of blood. Saviano ’ s Gomorrah was a worldwide sensation, and The Piranhas, called "raw and shocking" by the New York Times Book Review, captured readers with its tale of raw criminal ambition, told with 'openhearted rashness' (Elena Ferrante). Savage Kiss, which again draws on the skills of translator Antony Shugaar, is the latest thrilling installment from the brilliant Italian novelist.

In Italy's impoverished south, choices are limited. Rules and traditions are more powerful than the lives of individuals, and young Italians who stand on the right side of the law still find themselves on the frontline. In 'The Opposite of Death', Maria is a seventeen-year-old widow before she has even made it to the altar; her fiancé enlisted and died in Afghanistan to avoid a life controlled by the mafia. In 'The Ring', a tale of bloody vengeance, a young woman comes to visit from the north, bringing with her ignorance and prejudice. Two women at separate poles of experience. Roberto Saviano has become a symbol of a whole generation of lost young Italians; these stories demonstrate once more the commitment to truth and justice that made Gomorrah such an exceptionally brave book.

From the international bestselling author of Gomorrah, this is a deeply personal and candid portrait of Italy today: a place of trafficking and toxic waste, where votes can be bought and sold, where organized crime ravages both north and south - yet also where many courageous individuals defy the system, and millions work tirelessly for a better future. 'Saviano is a blazingly vivid and courageous writer' Independent 'A national hero' Umberto Eco 'Saviano has an astonishing ability to write luminously yet subtly about terrible things' Le Parisien 'Brave and passionate' Guardian 'One of the world's finest investigative journalists' GQ

The second book in a much loved Italian travel memoir trilogy which also includes the delightful When in Rome and Girl by Sea. After three years living and working in Italy, Australian journalist Penelope Green needs a reason to stick around - true love or gainful employment. When a job comes up in Naples - crime capital of Italy, home of pizza and the Camorra, and crouched at the foot of a volcano - Penny launches herself into the unknown. With her innate curiosity and eye for detail, Penny prises Naples open to show us the real city, in all its splendour... and all its depravity. She uncovers a chaotic metropolis when crime and poverty blur with abundant natural beauty, and where the shadow of Mount Vesuvius is a daily reminder that life must be lived for the moment. And when Penny meets a baes player in a local band, she thinks she might have found that other reason to stick around. 'This is a bewitching, true tale of a tantalising city. Magnifico!' - Marie Claire 'frank, funny and honest' - Notebook 'Her down to earth tone and genuine curiosity make for an interesting and insightful read' - Sun-Herald Author Biography Penelope Green was born in Sydney and worked as a print journalist around Australia for a decade before moving to Rome in 2002. Her first book, When in Rome, recounts her early experiences in the Eternal City. In 2005 she moved to Naples to work for ANSAmed, a Mediterranean news service. She found an apartment in the city's colourful Spanish Quarter, worked hard at mastering the Neapolitan dialect, and writing her second travel memoir. See Naples and Die. Girl by Sea completes Penny's Italian experience as she moves to the idyllic island of Procida, across the bay from Capri, with her Italian partner, Alfonso. The couple have now returned to Australia, where they are making a new life for themselves back in the Southern hemisphere. For more information visit penelopegreen.com.au

In the early hours of an August 2007 morning a gunfight broke out in an Italian restaurant in Duisburg, Germany; in less than five minutes over seventy shots were fired into the bodies of six men. Both the victims and the assassins were members of the 'Ndrangheta crime organization. Calabria's Mafia had brazenly shown its savage influence outside Italy for the first time. In The Honored Society award-winning investigative reporter Petra Reski reveals the Mafia menace lurking throughout the world-- from espresso bars in Palermo to European halls of parliament to the corporate headquarters of enormous agricultural firms. In haunting and exquisite prose she explores the Byzantine structure of the 'Ndrangheta, Cosa Nostra and other mafia clans throughout Italy -- the code they live by, the destruction they wreak, how they operate within the country and how they operate internationally. She shows how these syndicates dominate everything from nuclear waste disposal to hotel chains to the marijuana trade in Australia and cocaine trafficked throughout the world. Reski shows how figures such as Silvio Berlusconi were made by the Mafia, and how those who dared to defy its codes were broken. A searing portrait of the criminals who have come to control not only Italy but vast swathes of the globe, The Honored Society is a journalistic tour de force.

A massive bestseller in its native Italy, and a book that can justly be compared with Roberto Saviano's Gomorrah, Blood Ties is a terrifying account of the 'ndrangheta's criminal activities over the last four decades. Originally from Calabria, this sinister organization has - like the Mafia in Sicily and the Camorra in Naples - a vicious hold over northern Italy and much of the rest of the country, too, a stranglehold that is growing every day. Told to the authors by an insider, Pippo di Bella, a 'pentito', a former member of the gang now turned state's evidence, it reveals many hitherto unknown operations, as well as throwing new light on well-known cases from the past. It shows an organization which retains and strengthens its position through corruption, drug smuggling, gun running, violence, extortion and kidnapping. Visceral, compelling and terrifyingly readable, it paints a brutally vivid picture of the most dangerous and powerful of the Italian mafias, one which demands to be read.

Over the last twenty years the camorra of Naples and the surrounding region has risen to a level of strength rivaling that of the Sicilian mafia. This is not a new organization: the Camorra first emerged in the last century, several decades before the mafia. Tom Behan traces the history of the organization from its inception to the present. Until the 1970s the extent of its influence fluctuated, although it always maintained close relationships with the politicians of the region. However, since the 1970s new and more powerful forms of camorra have developed: Raffaele Cutolà's 'mass camorra' of unemployed youth specialise in protection rackets, Lorenzo Nuvoletta's 'business camorra' has reinvested drug money into construction following the 1980 earthquake, and Carmine Alfieri's 'political camorra' has become extremely profitable through its ability to obtain public sector contracts. The Camorra is a fascinating account of the transformation of the small-time cigarette smugglers of the 1960s to the international entrepreneurs of the 1990s.
