Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

Students studying Spanish on both elementary and intermediate levels will find this book to be a useful supplement to their main textbooks. It reviews the most commonly-made errors in speaking, reading, and writing Spanish. The authors focus on tricky vocabulary, idioms, technical terms, and other details in Spanish grammar and usage that differ markedly from English. This newly updated edition has been given an attractive new layout and cover design with type in a second color to emphasize keys points, as well as a larger page count. Students will also find more examples and exercises with answer keys.
