Introduction to Programmatic Advertising – Digital –

Programmatic advertising is an automated method of purchasing and selling ads used in digital marketing campaigns. Programmatic ads are sold using an automated bidding system in real-time. In the process, companies can instantly buy ads to display on apps, websites, or other platforms.

An Introduction to Programmatic Advertising

Programmatic advertising is comprised of targeted digital ads (such as display ads, social ads, in-app ads, pre-roll video, connected TV and radio) on a variety of channels. As compared to traditional methods that blanket a wide audience (where many consumers may not be “in-market”), programmatic marketing offers the ability to show a specific ad to a specific consumer in a specific context.

In a nutshell, programmatic advertising automates the decision-making process of where ads are placed, using artificial intelligence (AI) and real-time bidding (RTB) for online display, mobile and...

An Introduction to Programmatic Advertising

Probably a counter-intuitive name for the advertising concept, programmatic advertising is about letting an AI decide how, where and when are your ads to be displayed. The aim is to draw in converting viewers by automatically buying appropriate ad spaces for your campaigns.

An Introduction to Programmatic Advertising – Wisdok Corp.

Programmatic display advertising involves automated bidding on display advertising inventory in real-time, for the opportunity to show an ad to a specific customer type, in a specific context. It doesn’t include paid search bidding. Often it involves header bidding to facilitate the real-time bidding process.

Amazon.com: Introduction to Programmatic Advertising eBook –

Programmatic advertising does not randomly place ads. Instead, it uses contextual reasoning to place ads in the most rational ad space. Native advertising is a perfect example of this type of marketing. Native advertising is about putting ads within the content to appear as though the publisher intended to place it there.
