

to introduce revision details. It covers all forms of test item types for all levels (the number of questions is different from the number of test items in an actual test).

New Japanese-Language Proficiency Test Sample ... - JLPT

I'll be taking the JLPT N5 this July, and bought a few mock exam papers for practice. I don't understand how to answer sections 3 and 4 on the paper (Utterance expressions and quick response). It's not that I don't understand the aim of the question (to pick the correct response) but how do we answer this? There's no numbers to circle the correct answer for both of these questions ...

The second option for practicing the JLPT is to get a JLPT N4 mock test. Mock tests are created by third party companies and are meant to imitate the test. They are usually pretty dead on for predicting how hard the real test is going to be and they are also in the exact same format as the real test, so taking a mock test would probably give you the best boost overall. I've always taken a ...
