" Gaffney ' s characters are appealing and realistic...Readers will race through this book. " —New Orleans Times Picayune " Poignant....Entertaining....As good as it gets. " —New York Post No other author writes about the lives and friendships of women with more warmth and grace than New York Times bestseller Patricia Gaffney. A true master of women ' s fiction, with Circle of Three she flourishes the same breathtaking characterization and storytelling skills that made her previous novel, The Saving Graces, a readers ' favorite. The story of a woman grieving for her losses and her life, and her relationship with her overbearing mother and precocious young daughter, Circle of Three focuses on three generations of a troubled family, the anger and misunderstanding that separates them...and the love that holds them together. Gaffney does beautifully what Elizabeth Berg, Anne Rivers Siddons, and Anne Tyler also do so well: exploring the tricky bonds of family in novels both heart-soaring and heartbreaking.

Now another betrayal, by a faithless lover, has brought Anna back to her family's restaurant, where Rose needs her estranged niece's help—and trust—more than ever before. Determined to leave as soon as the struggling business is back on its feet and her own hurt is healed, Anna joins Rose in the kitchen of the Bella Sorella. resolved to remain unaffected by Rose's longing to undo the past. But Anna's resistance could blind her to a true and unexpected love that's reaching out to grab her by the heart. New York Times bestselling author patricia gaffney's Flight Lessons is a poignant, funny, and wise story of truth, loyalty, and the bonds that shape, sustain, and ultimately uplift us.

Tyler is most intrigued by Carrie Wiggins. Mute, sensitive, lovely, and troubled, Carrie lives with her abusive alcoholic stepfather, Artemis, in the mountains just outside of town. Her gentle nature and the loving care she bestows on injured animals in the woods quickly endear her to Tyler, though they belie the darkness in her life.
