She's been called "side-splittingly funny" (Publishers Weekly), "a blast of fresh air" (Washington Post), and "a winner" (Glamour). She is, of course, Janet Evanovich, the award-winning, #1 New York Times bestselling author of the Stephanie Plum mystery series. Now available for the first time in more than a decade comes Love Overboard, the hilarious story of a sinfully handsome schooner captain and the spirited woman who agrees to work on his cruise ship. It's a classic novel of comic mayhem from the incomparable Janet Evanovich.

And even though he knows trouble is ahead, Matt can't refuse Lizbeth's irresistible smile. Matt Hallahan isn't exactly relationship material -- he has always been too busy working on other people's houses to make a home of his own. And even though she knows better, Lizabeth can't stop thinking about the rugged carpenter. Is the relationship Matt and Lizabeth are building solid -- or more like a house of cards?

Dear Reader: In a previous life, before the time of Plum, I wrote twelve short romance novels, Red-hot screwball comedies, each and every one of them. Nine of these stories were originally published by the Loveswept line between the years 1988 and 1992. All immediately went out of print and could be found only at used bookstores and yard sales. I'm excited to tell you that those nine stories are now being re-released by HarperCollins. Naughty Neighbor is the eighth in the lineup, and it's presented here in almost original form. Usually when I edit these books I do some modernizing. For instance, I change VHS to DVD, and roller skates to Rollerblades, and sticks of gum are now pieces of gum. I do this because the books were meant to be contemporary (as opposed to historical), and I don't want the reader to have a time disconnect. In the beginning of the original Naughty Neighbor, my heroine throws a handheld phone into the toilet, and the next morning she goes into the bathroom and sees the "slim silver antenna caught between the toilet lid and seat." Okay, so most phones don't have extended antennas anymore, but I just loved the image . . . so I left it in. And I don't know how many women wear front-closure bras anymore, but that got left in, too. Naughty Neighbor is probably the most romancey of all the Loveswepts I wrote, but there's still a small mystery to unravel. Louisa Brannigan is a no-nonsense, hardworking press secretary, fighting her way to the top of Capitol Hill, with no help from her annoying neighbor, Pete Streeter. He receives phone calls all night long, he steals her morning paper, he thinks jeans are formal wear, and worst of all he's involved Louisa in the disappearance of a pig. So this is the story of a pig in Witness Protection and love being found by a workaholic woman and a fun-loving man who makes terrible pots of coffee. Enjoy! Janet Evanovich

From the #1 New York Times bestselling author comes a revised, repackaged novel sure to please her many fans. She writes "high speed comic mayhem" (Detroit Free Press); she's "a blast of fresh air" (Washington Post); "side-splitting funny" (Publishers Weekly) and "a winner" (Glamour). In other words, she's Janet Evanovich. Berry Knudson had a talent for disaster, but when she climbed a tree to rescue a kitten, she wasn't prepared for the scrumptious hunk undressing in a nearby window, or her dive downward that smashed Jake Sawyer's pizza and won his heart! But was there room in her chaotic schedule for a risk-taking inventor with dreams? She took classes, delivered pizzas, and cared for three eccentric old ladies she rescued from the train station. But Jake thrived on a challenge, and he could be very inventive. Could he teach her there was time to make butterscotch pudding and let herself be loved?

For months he'd thought of her as the Mystery Woman, draped in a black velvet cloak, with outrageous red curls, flawless skin, and carrying a large, odd case — but the night David Dodd saw a helicopter drop a chunk of metal through the roof of his lovely neighbor's bedroom, he got to meet the formidable and delightful Katherine Finn at last! Rescuing damsels and fixing roofs was dangerous work, he told her, and at the very least he deserved a kiss — didn't he? Kate couldn't argue with Dave's logic, but how could she, the driven concert musician with more commitments than hours in the day, be falling head over heels for a likeable cuddler who seemed to be drifting through life? No one had ever made her feel as cherished or desirable, and she'd never had so much fun, but even though her eccentric boarder, Etsie, assured her that where Kate was concerned Dave had plenty of ambition, could she really love a guy who was just smart, sexy and rich?

Pursuing Kenny Mancuso, who fled after inadvertently shooting his best friend, New Jersey bounty hunter Stephanie Plum becomes involved in an all-out manhunt for gunrunners and illegal weapons and is pursued by vice cop Joe Morelli. 75,000 first printing. Tour.
