Math Study Guide | Study Guides | Mesa Community College

The Next-Generation Quantitative Reasoning, Algebra, and Statistics placement test is a computer adaptive assessment of test-takers' ability for selected mathematics content.

Mathematics Study Guide for ACCUPLACER® Placement Tests

If you're headed for college or university, a math placement test might be in your very near future. Schools use these tests as a tool to determine the appropriate level of math classes for incoming students. These exams are given after a student has already been accepted for admission; they are not part of the college application process.
