"Kick Lannigan has taught herself to be dangerous. She can pick any lock, fire any weapon, throw any knife, and aim a punch at her opponent's trachea. She has also taught herself to be safe. So when enigmatic John Bishop shows up asking her to help him rescue missing kids, Kick has every reason to be wary. He appears to have access to limitless money, high-level contacts, and details of Kick's background long kept sealed by the court. Yet everything he tells her about himself seems to be a lie. Headstrong by nature, suspicious by circumstance, and a smart-ass by self-determination, Kick can't help but see the writing on the wall: together, she and Bishop could make an unstoppable team, willing to do whatever it takes -- legal or not -- to see justice served ... if they don't kill each other first. For Kick, whose interest in child abduction is deeply personal, it's a gamble worth taking."--Page 4 of cover.

From the author of the critically acclaimed Archie Sheridan and Gretchen Lowell thrillers, here is a heart-stopping ride that Cheryl Strayed (author of #1 New York Times bestseller Wild) called "deeply intelligent and grippingly suspenseful...a wickedly brilliant masterpiece." Kick Lannigan has taught herself to be dangerous. She can pick any lock, fire any weapon, throw any knife, and aim a punch at her opponent's trachea. She has also taught herself to be safe. So when enigmatic John Bishop shows up asking her to help him rescue missing kids, Kick has every reason to be wary. He appears to have access to limitless money, high-level contacts, and details of Kick's background long kept sealed by the court. Yet everything he tells her about himself seems to be a lie. Headstrong by nature, suspicious by circumstance, and a smart-ass by self-determination, Kick can't help but see the writing on the wall: together, she and Bishop could make an unstoppable team, willing to do whatever it takes—legal or not—to see justice served...if they don't kill each other first. For Kick, whose interest in child abduction is deeply personal, it's a gamble worth taking. Critically acclaimed as "excruciating...compelling" (Booklist, starred review) and "a propulsive new thriller" (People), One Kick is an engrossing, entertaining new novel you won't want to miss.

From New York Times bestselling author Chelsea Cain—the unforgettable Kick Lannigan negotiates the help of an unlikely partner in the

second book in the electrifying series that started with the “ edge-of-your-seat thriller, ” One Kick (Booklist, starred review). Three months following the events of One Kick, a secretive arms dealer named Bishop has come seeking Kick ’ s help to protect a teenage girl under a threat from the past. Bishop believes the young woman is at risk of suffering the same fate as her mother, who disappeared as a teen before miraculously returning home twenty years later. At the time, many believed that there may be something supernatural involved in her mysterious disappearance. Could that be true? As Kick and Bishop join forces to search for clues in the girl ’ s Florida hometown, they realize there may be even darker—even criminal—secrets at play. Then a body is discovered and throws both women ’ s identities into question, and Kick and Bishop must combine their expertise to learn the truth. With the heart-stopping suspense, psychological twists, and the atmospheric details readers love, Kick Back is Chelsea Cain at her best.

With the Beauty Killer Gretchen Lowell locked away behind bars once again, Archie Sheridan—a Portland police detective and nearly one of her victims—can finally rest a little easier. Meanwhile, the rest of the city of Portland is in crisis. Heavy rains have flooded the Willamette River, and several people have drowned in the quickly rising waters. Or at least that's what they thought until the medical examiner discovers that the latest victim didn't drown: She was poisoned before she went into the water. Soon after, three of those drownings are also proven to be murders. Portland has a new serial killer on its hands, and Archie and his task force have a new case. Reporter Susan Ward is chasing this story of a new serial killer with gusto, but she's also got another lead to follow for an entirely separate mystery: The flooding has unearthed a skeleton, a man who might have died more than sixty years ago, the last time Portland flooded this badly, when the water washed away an entire neighborhood and killed at least fifteen people. With Archie following the bizarre trail of evidence and evil deeds to catch a killer and possibly regain his life, and Susan Ward close behind, Chelsea Cain—one of today's most talented suspense writers—launches the next installment of her bestselling series with an electric thriller.

Damaged Portland detective Archie Sheridan spent ten years tracking Gretchen Lowell, a beautiful serial killer, but in the end she was the one who caught him. Two years ago, Gretchen kidnapped Archie and tortured him for ten days, but instead of killing him, she mysteriously decided to let him go. She turned herself in, and now Gretchen has been locked away for the rest of her life, while Archie is in a prison of another kind---addicted to pain pills, unable to return to his old life, powerless to get those ten horrific days off his mind. Archie's a different person, his estranged wife says, and he knows she's right. He continues to visit Gretchen in prison once a week, saying that only he can get her to confess as to the whereabouts of more of her victims, but even he knows the truth---he can't stay away. When another killer begins snatching teenage girls off the streets of Portland, Archie has to pull himself together enough to lead the new task force investigating the murders. A hungry young newspaper reporter, Susan Ward, begins profiling Archie and the investigation, which sparks a deadly game between Archie, Susan, the new killer, and even Gretchen. They need to catch a killer, and maybe somehow then Archie can free himself from Gretchen, once and for all. Either way, Heartsick makes for one of the most extraordinary suspense debuts in recent memory.

Agent of S.H.I.E.L.D. Bobbi Morse, the former Avenger known as Mockingbird, goes solo in her own incredible adventures! With a scientific mind and a lethal mastery of martial arts, she's one of the most versatile, in-demand assets at Maria Hill's disposal - that makes her ideal for investigating strange goings-on in S.H.I.E.L.D.'s own medical and recovery network. And when Lance Hunter's undercover gig at the London

Hellfire Club goes south, Mockingbird sets off, battle staves at the ready, to save him - and the Queen of England! From helping out a teen driven bonkers by her own new powers, to doing a little dog-sitting, Bobbi shows that she's a woman of many talents as bestselling author Chelsea Cain and artist Kate Niemczyk make Mockingbird sing! COLLECTING: MOCKINGBIRD: S.H.I.E.L.D. 50TH ANNIVERSARY 1, MOCKINGBIRD 1-5.

MAN-EATERS: THE CURSED reunites the original MAN-EATERS creative team for another tale of adolescent feminist derring-do and supernatural hijinks. Maude, now 15, is sent to Craft Camp for the week. It goes south pretty quickly. Smart, laugh-out-loud funny, provocative, referential, scary, chock-full of ephemera, and compulsively re-readable. Plus, fairies. [ADVISORY: Do not read this book while you are actually camping.]

Gretchen Lowell, the world's most beautiful serial killer, has escaped from prison in Chelsea Cain's unpredictable, edge-of-your-seat thriller, *Sweetheart*. With *Heartsick*, Chelsea Cain took the crime world by storm, introducing two of the most compelling characters in decades: serial killer Gretchen Lowell and her obsessed pursuer Portland Detective Archie Sheridan. The book spent four weeks on the New York Times bestseller list and garnered rave reviews around the world. But the riveting story of Archie and Gretchen was left unfinished, and now Chelsea Cain picks up the tale again. When the body of a young woman is discovered in Portland's Forest Park, Archie is reminded of the last time they found a body there, more than a decade ago: it turned out to be the Beauty Killer's first victim, and Archie's first case. This body can't be one of Gretchen's—she's in prison—but after help from reporter Susan Ward uncovers the dead woman's identity, it turns into another big case. Trouble is, Archie can't focus on the new investigation because the Beauty Killer case has exploded: Gretchen Lowell has escaped from prison. Archie hadn't seen her in two months; he'd moved back in with his family and sworn off visiting her. Though it should feel like progress, he actually feels worse. The news of her escape spreads like wildfire, but secretly, he's relieved. He knows he's the only one who can catch her, and in fact, he has a plan to get out from under her thumb once and for all. Chelsea Cain has topped her own bestselling debut thriller with this unputdownable, unpredictable, edge-of-your-seat read.

Nothing makes Portland detective Archie Sheridan happier than knowing that Gretchen Lowell—the serial killer whose stunning beauty is belied by the gruesome murders she's committed—is locked away in a psych ward. Archie can finally heal from the near-fatal physical and emotional wounds she's inflicted on him and start moving on with his life. To this end, Archie throws himself into the latest case to come across his desk: A cyclist has discovered a corpse in Mount Tabor Park on the eastern side of Portland. The man was gagged, skinned, and found hanging by his wrists from a tree. It's the work of a killer bold and clever enough to torture his victim for hours on a sunny summer morning in a big public park and yet leave no trace. And then Archie gets a message he can't ignore—Gretchen claims to have inside knowledge about this grisly murder. Archie finally agrees to visit Gretchen, because he can't risk losing his only lead in the case. At least, that's what he tells himself . . . but the ties between Archie and Gretchen have always been stronger, deeper, and more complex than he's willing to admit, even to himself. What game is she playing this time? And even more frightening, what long-hidden secrets from Gretchen's past have been dredged up that someone would kill to protect? At once terrifying and magnetic, "Beauty Killer" Gretchen Lowell returns with a vengeance in *Kill You Twice*, Chelsea Cain's latest razor-sharp psychological thriller.
