With complete coverage appropriate for residents through experienced pediatric orthopaedic surgeons, Tachdjian's Pediatric Orthopaedics, 6th Edition, continues a 50-year tradition of excellence as the most comprehensive, authoritative guide to diagnosing and treating pediatric musculoskeletal disorders. Editor John Herring, MD, and experts from the Texas Scottish Rite Hospital for Children offer step-by-step instruction and detailed visual guidance on both surgical and non-surgical approaches. It's everything the orthopaedic surgeon needs to know to accurately treat the full spectrum of pediatric orthopaedic conditions and injuries. Presents complete coverage of the latest knowledge on etiology, imaging, differential diagnosis, growth instrumentation, and non-operative and surgical techniques for a wide range of pediatric orthopaedic conditions. Provides expert guidance on difficult diagnostic and clinical management issues for your most challenging cases. Covers today's most effective approaches for management of severe spinal deformities, early onset scoliosis, hip preservation methods, long-term follow-up of trauma conditions, and much more. Offers superb visual guidance with nearly 2,500 full-color illustrations and 70 videos (many are new!) of pediatric surgical procedures, including a number that highlight clinical examination and unusual clinical findings.

"Adam Parfrey is one of the nation's most provocative publishers."—Seattle Weekly "Secret society historian Craig Heimbichner follows the Middle Path to wisdom. He works the graveyard shift in the secret lodge."—Joan d'Arc, Paranoia magazine Secret societies—now a staple of bestseller novels—are pictured as sinister cults that use hooded albinos to menace truth-seekers. Some conspiracy books claim that fraternal orders are the work of serpentine aliens and interbred humans who wish to supplant earth of its energy, and later, its very existence. On the other side of the aisle, books by high-ranked Freemasons—skeptical in tone but no less partisan in approach—protect their organization's public image by denying the existence of its most contentious ideas. Ritual America reveals the biggest secret of them all: that the influence of fraternal brotherhoods on this country is vast, fundamental, and hidden in plain view. In the early twentieth century, as many as one-third of America belonged to a secret society. And though fezzes and tiny car parades are almost a thing of the past, the Gnostic beliefs of Masonic orders are now so much a part of the American mind that the surrounding pomp and circumstance has become faintly unnecessary. The authors of Ritual America contextualize hundreds of rare and many never-before printed images with entertaining and far-reaching commentary, making an esoteric subject provocative, exciting, and approachable. Adam Parfrey is the author of Cult Rapture: Revelations of the Apocalyptic Mind and It's a Man's World: Men's Adventure Magazines, the Postwar Pulp. He is editor of the influential Apocalypse Culture series Love, Sex, Fear Death: The Inside Story of the Process Church of the Final Judgment. Craig Heimbichner has recently appeared on a National Geographic documentary about the Bohemian Grove, contributed to the Feral House compilation Secret and Suppressed II, and wrote about the famous occult order the O.T.O. in Blood and Altar.

This is a guide to rituals and symbolism of the Scottish Rite, which offers a series of progressively higher degrees beyond the Master Mason degrees.

The ethics and philosophy of Freemasonry depend on monotheistic religions and the ancient constitution of the Freemasons. The constitution describes the rules and rituals that members must follow. Some of the ceremonies incorporate stonemasonry tools, which symbolize not only the construction of Solomon's Temple, but also the forging of partnerships. While masonic practices are cloaked in secrecy, this collection gathers the best-known sources portraying the statutes, laws, symbols, rituals, and customs of Masonic societies. Contents: THE PRINCIPLES OF MASONIC LAW THE SYMBOLISM OF FREEMASONRY THE MYSTERIES OF FREE MASONRY MORALS AND DOGMA OF THE ANCIENT AND ACCEPTED SCOTTISH RITE OF FREEMASONRY PROOFS OF A CONSPIRACY WASHINGTON'S MASONIC CORRESPONDENCE MASONIC MONITOR OF THE DEGREES OF ENTERED APPRENTICE
