Fiction Book Review: SEIZURE by Robin Cook, Author ...

Robin Cook once again takes readers to the edge with this action-packed chilling medical thriller. He raises some very interesting social and moral issues and make it clear that politicians should not be the ones who decide whether a new medical technique should be available to the general public. SEIZURE is Robin Cook at his very best.

Detailed Review Summary of Seizure by Robin Cook

We've read all of Cook's medical "thrillers" (even his Egyptian

mystery, the "Sphinx"), and would argue that some are a lot better than others. But along comes "Seizure", just possibly his best ever! A current affairs-type premise finds two intellectual doctors trying to save from impending financial ruin their stem-cell research company with a promising technology to grow disease-curing cells.
