Space Station Paper Model

This is the International Space Station AXM papermodel in 1:100 scale. Get it here at the original ISS page from my old website. You can also get it from my Payloadz Store. http://store.payloadz.com/details/1363235-other-files-arts-and-crafts-iss-1100-axm-combo-kit.html . ISS Modifications – Click for Updates

International Space Station Model – AXM Paper Space Scale ...

There are a number of freely available paper models out there, some of which are more complicated than other, and some of which are black and white or full color. NASA and other space agencies offer them for free on their websites. One that we enjoy the most is this one from CSIRO, which is Australia's space agency: www.csiro.au/iss . Below are some pictures from our build process, as well as a few tips that are not available in their instruction guide.

Make your own International Space Station (ISS) with a ...

The Falcon 9 paper model for Crew-1 mission is now available for free download. Get it ready for launch day!! The Atlas V NROL-101 is also available! This is the first Atlas V launch with updated GEM-63 solid rocket boosters. Check them out! More models will be become available soon, including Falcon 9s from past missions. So, stay tuned! Enjoy!!

AXM Paper Space Scale Models.com – Space Shuttles, ISS and ...

• Building this model requires a moderate level of modeling skill and an intimate familiarity with the International Space Station structure – see http://www.nasa.gov/mission_pages/station/main/index.html • Model is approximately 1:40 scale; sized to use 2 liter soda bottles to shape the modules. The finished model will be 6 feet high across the main solar arrays, just over 8 feet wide across the main truss, and about five feet long along the main spine where the modules mount.

BUILD YOUR OWN Paper-ISS - for Fans of ISS and Space ...

Introduction With just a few materials, building a paper model of the International Space Station (ISS) can become an excellent group, troop, or class project. This publication contains a brief overview of the ISS, its parts, the science that occurs on board, instructions, and extensions for an interdisciplinary technology experience.
