Friday briefing: Johnson-Cummings – end of the affair ...
Labour – The end of the affair By paulhalas on 13 November 2020 • (0) Or, "I really think we need to take a break". After several months of running on empty I've finally decided to leave the Labour Party. It's a wrench, to put it mildly. For the past few years the party has been very central to my life, occupying much of my time and providing a circle of friends and comrades I ...

Labour – The end of the affair—Ars Notoria
The end of this affair, here between a rather bloodless moderately successful writer and a married woman, whose husband is an even more bloodless (less bloodful?) civil servant, as the V1s rain down over Clapham Common in WWII, is brought about by her guilt, her husband's inadequacy, and the writer's coldness. She tries to find her place with God, and she dies, with that unresolved.I found it ...

The End of the Affair provides a blueprint for finding a way into belief. Bendrix's sardonic, burly resistance to Sarah's God finally breaks when the weight of evidence becomes too much.

Book Of A Lifetime: The End of the Affair, By Graham ...
The End of the Affair is a 1999 British-American drama romance film written and directed by Neil Jordan and starring Ralph Fiennes, Julianne Moore and Stephen Rea. The film was based on The End of the Affair , a 1951 novel by British author Graham Greene , which had been adapted as a film in 1955 with Deborah Kerr .

The End of the Affair (1999 film) - Wikipedia
The End of the Affair was exactly what I needed to help me through some recent difficulties in my personal life. (No, I didn't have an affair with a married woman, heh. But a relationship did recently end for me, and that kind of thing is painful, and tough to deal with, as you probably know.) This novel helped me through all that

The End of the Affair I never like to go in too negatively to any football match, particularly a derby, but some of the commentary and general noise pre-game seemed a little off for me. There seemed to have been a narrative crafted that this was Everton's best opportunity to win. The notion itself is a problematic one.

The End of the Affair - GrandOldTeam
Summary Maurice Bendrix, the narrator of The End of the Affair, says that his account is "a record of hate far more than of love." He claims to hate Henry Miles, his wife, Sarah, and a God in whom...

The End of the Affair Summary - eNotes.com
It's the end of the affair And it seems we no longer care. Absence makes the heart grow fonder Well I was fond but now I'm harder So here we are in somber silence With no one else but us to blame. Hard to be honest when others pretend Hard to begin when we already know the end. It's the end of the affair And it seems we no longer care . Writer(s): Magne Furuholmen, Paul Waaktaar-savoy ...

The End Of The Affair Lyrics - A-ha
The End of the Affair Quotes Showing 1-30 of 160 "The sense of unhappiness is so much easier to convey than that of happiness. In misery we seem aware of our own existence, even though it may be in the form of a monstrous egotism: this pain of mine is individual, this nerve that winces belongs to me and to no other.

The End of the Affair Quotes by Graham Greene
It's entirely fitting that The End of the Affair plays out in a 1940s London that's either blacked-out during the Blitz or wreathed in a pea-souper during the post-war period. After all, Neil Jordan's movie is a mystery play in the guise of a love-story, and its interior is a fog of conjecture and misunderstanding. Only at the end does the mist clear away and we see things in stark clarity ...

Audience Reviews for The End of the Affair May 12, 2019 Neil Jordan created a slow burning drama film that the trailer paints as a thriller. The film is amazing to watch and only the overbearing...

Graham Greene's masterful novel of love and betrayal in World War II London is "undeniably a major work of art" (The New Yorker). Maurice Bendrix, a writer in Clapham during the Blitz, develops an acquaintance with Sarah Miles, the bored, beautiful wife of a dull civil servant named Henry. Maurice claims it's to divine a character for his novel-in-progress. That's the first deception. What he really wants is Sarah, and what Sarah needs is a man with passion. So begins a series of reckless trysts doomed by Maurice's increasing romantic demands and Sarah's tortured sense of guilt. Then, after Maurice miraculously survives a bombing, Sarah ends the affair—quickly, absolutely, and without explanation. It's only when Maurice crosses paths with Sarah's husband that he discovers the fallout of their duplicity—and it's more unexpected than Maurice, Henry, or Sarah herself could have imagined. Adapted for film in both 1956 and 1999, Greene's novel of all that inspires love—and all that poisons it—is "singularly moving and beautiful" (Evelyn Waugh).

In England during World War II, an American writer and the bored wife of a British civil servant fall in love, then she mysteriously ends the affair.

Henry Miles, a civil servant, suspects that his wife Sarah is having an affair, and asks his writer friend Maurice Bendrix to contact a private investigator on his behalf. Maurice has a secret, however: he was once Sarah's lover, and is equally keen to find out whether she was unfaithful to him too... An economical and intense adaptation.-1 woman, 4 men, 1 boy, 5 women or men

NEW YORK TIMES BESTSELLER • In this riveting novel, Danielle Steel explores a high-profile affair that reverberates throughout an entire family, from the wounded wife to her husband—torn between two women—to the wife’s close-knit sisters and their mother. When Rose McCarthy’s staff at Mode magazine pitches a cover shoot with Hollywood’s hottest young actress, the actress’s sizzling affair with a bestselling French author is exposed. The author happens to be Rose’s son-in-law, which creates a painful dilemma for her. Her daughter Nadia, a talented interior designer, has been struggling to hold her marriage together, and conceal the truth from their young daughters, her family, and the world. But Nicolas, her straying husband, is blinded by passion for a younger woman—and not only that, she is pregnant with his child. Nadia’s three sisters close ranks around her, flying to Paris from Los Angeles and New York to lend support and offer their widely divergent advice. Athena, a jovial celebrity chef with her own TV show in Los Angeles, is leery of marriage. Olivia, a stern conservative New York superior court judge, is haunted by a shocking secret of her own. Venetia, a zany fashion designer, happily married with three kids, has the gentlest, most realistic point of view. Despite their well-meaning advice, Nadia needs to figure out what she herself thinks, and what to do next. *The Affair* is about the painful journey to discover who you are, what you want, and how much forgiveness and compromise you are capable of in order to be loved. It’s about finding yourself at the crossroads of life when everything is on the line. It’s about the hard lessons we are forced to learn about others and ourselves.

Right up until its final twist, this gripping novel is full of powerful insights about who we love, how much—and even how much we love ourselves.

Discovering that a partner has been unfaithful hits you like an earthquake. Long after the first jolt, emotional aftershocks can make it difficult to be there for your family, manage your daily life, and think clearly about your options. Whether you want to end the relationship or piece things back together, *Getting Past the Affair* guides you through the initial trauma so you can understand what happened and why before deciding how to move forward. Based on the only program that’s been tested--and proven--to relieve destructive emotions in the wake of infidelity, this compassionate book offers support and expert advice from a team of award-winning couple therapists. If you stay with your spouse, you’ll find realistic tips for rebuilding your marriage and restoring trust. But no matter which path you choose, you’ll discover effective ways to recover personally, avoid lasting scars, and pursue healthier relationships in the future. Association for Behavioral and Cognitive Therapies (ABCT) Self-Help Book of Merit

1990 was a significant year for Buckley. He not only embarked on a sailing trip that forms the main subject of this book, but on several other major passages: the 40th anniversary of his marriage and his graduation from Yale, and the 35th anniversary of the founding of the National Review. 111 photographs, 27 in color. Line drawings.

With Reacher, #1 New York Times bestselling author Lee Child has created "a series that stands in the front rank of modern thrillers" (The Washington Post). Everything starts somewhere. . . . For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A coverup. A young woman is dead, and solid evidence points to a soldier at a nearby military base. But that soldier has powerful friends in Washington. Reacher is ordered undercover--to find out everything he can, to control the local police, and then to vanish. Reacher is a good soldier. But when he gets to Carter Crossing, he finds layers no one saw coming, and the investigation spins out of control. Local sheriff Elizabeth Deveraux has a thirst for justice--and an appetite for secrets. Uncertain they can trust one another, Reacher and Deveraux reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission, and turn him into a man to be feared. A novel of unrelenting suspense that could only come from the pen of #1 New York Times bestselling author Lee Child. *The Affair* is the start of the Reacher saga, a thriller that takes Reacher--and his readers--right to the edge. . . . and beyond.

Preface: the intellectual as object / a 'Selfie'? -- Introduction: the city and the pen -- Intellectuals in the torment of the century -- The Dreyfus affairs: human rights or author's rights? -- From Voltaire to Bourdieu: who are the 'true intellectuals'? -- Marx and his descendants: symbolic capital or political capital? -- The discreet charm of fascism: flirtation or love story? -- Twilight of the idols: the critical intellectual domesticated? -- Islamophobia and the intellectuals' 'thinceritits' -- From Houellebecq to Charlie Hebdo: submission or humour? -- From Finkelkraut to Zemmour: decadence or xenophobia?

A vivid, deeply researched account of the tumultuous life of one of the twentieth century's greatest novelists, the author of *The End of the Affair*. One of the most celebrated British writers of his generation, Graham Greene's own story was as strange and compelling as those he told of Pinkie the Mobster, Harry Lime, or the Whisky Priest. A journalist and MI6 officer, Greene sought out the inner narratives of war and politics across the world; he witnessed the Second World War, the Vietnam War, the Mau Mau Rebellion, the rise of Fidel Castro, and the guerrilla wars of Central America. His classic novels, including *The Heart of the Matter* and *The Quiet American*, are only pieces of a career that reads like a primer on the twentieth century itself. *The Unquiet Englishman* braids the narratives of Greene's extraordinary life. It portrays a man who was traumatized as an adolescent and later suffered a mental illness that brought him to the point of suicide on several occasions; it tells the story of a restless traveler and unflinching advocate for human rights exploring troubled places around the world, a man who struggled to believe in God and yet found himself described as a great Catholic writer; it reveals a private life in which love almost always ended in ruin, alongside a larger story of politicians, battlefields, and spies. Above all, *The Unquiet Englishman* shows us a brilliant novelist mastering his craft. A work of wit, insight, and compassion, this new biography of Graham Greene, the first undertaken in a generation, responds to the many thousands of pages of letters that have recently come to light and to new memoirs by those who knew him best. It deals sensitively with questions of private life, sex, and mental illness, and sheds new light on one of the foremost modern writers.

When Graham Green and Catherine Walston began their illicit romance in January 1947, he was the acclaimed author of *Brighton Rock* with a troubled marriage, and she was the sexually libertine thirty-year-old wife of a millionaire future Labour life peer. What followed would inspire Greene's 1951 novel *The End of the Affair*. Revisiting the scenes of their adulterous passion, and drawing on love letters, diaries, personal interviews and correspondence, *The Third Woman* is the enthralling true story of one of the twentieth century's most epic romances.
