The GCBME Book Series aims to promote the quality and methodical reach of the Global Conference on Business Management & Entrepreneurship, which is intended as a high-quality scientific contribution to the science of business management and entrepreneurship. The Contributions are the main reference articles on the topic of each book and have been subject to a strict peer review process conducted by experts in the fields. The conference provided opportunities for the delegates to exchange new ideas and implementation of experiences, to establish business or research connections and to find Global Partners for future collaboration. The conference and resulting volume in the book series is expected to be held and appear annually. The year 2019 theme of book and conference is "Creating Innovative and Sustainable Value-added Businesses in the Disruption Era". The ultimate goal of GCBME is to provide a medium forum for educators, researchers, scholars, managers, graduate students and professional business persons from the diverse cultural backgrounds, to present and discuss their researches, knowledge and innovation within the fields of business, management and entrepreneurship. The GCBME conferences cover major thematic groups, yet opens to other relevant topics: Organizational Behavior, Innovation, Marketing Management, Financial Management and Accounting, Strategic Management, Entrepreneurship and Green Business.

This comprehensively revised, illustrated edition discusses recent performance work and takes into consideration changes that have taken place since the book's original publication in 1996. Marvin Carlson guides the reader through the contested definition of performance as a theatrical activity and the myriad ways in which performance has been interpreted by ethnographers, anthropologists, linguists, and cultural theorists. Topics covered include: *the evolution of performance art since the 1960s *the relationship between performance, postmodernism, the politics of identity, and current cultural studies *the recent theoretical developments in the study of performance in the fields of anthropology, psychoanalysis, linguistics, and technology. With a fully updated bibliography and additional glossary of terms, students of performance studies, visual and performing arts or theatre history will welcome this new version of a classic text.
