Seterra Geography - Free Map Quiz Games

There are 196 different countries in the world. How many can you name? That's just one of over 6,000 geography trivia games that you'll find on JetPunk.com.

Are you looking for fun world geography activities for your children? Here's what you will discover with this book: Over 120 questions in a variety of formats: designed to be fun, creative, provoke lateral thinking and learning at the same. Large text font for practicality and easy readability for younger kids. Increasing difficulty throughout the book: questions start easy and get harder throughout, activities designed to combine familiarity with lateral thinking. A good example being the stone heads on Easter Island, a familiar landmark but one few children can directly name. Colorful interior: colorful interior throughout for a fun and aesthetic experience. Everything explained inside: Walkthroughs for new question types so your child is not left wondering how to do the question or activity. Keep Score: Questons with spacing underneath to answer questions within the book, as well as a scoring system to tick or cross answers. Matte paperback cover for durability and ease of carrying, so your child can tackle questions at home or on the go. This book makes a perfect gift for a child with an interest in geography. Question topics within world geography include: Country and continent names. Mountain, mountain range and volcano names. Ocean, sea, lake, river, island and waterfall names. City, building and capital city names. Country size, currency, religion and population. A full list of the type of questions is listed below. Match the pairs Coloring in flags Caption the picture Name the flag Label the map Word scramble As well as standard questions! Disclaimer not associated (intentionally or otherwise) with any school curriculum on the subject. This book is for entertainment and trivial purposes only. Order your copy now for hours of endless fun. Be sure to check out other books in our range by clicking on the Author Page!

Are you looking for a fun and challenging quiz to tackle solo? Or looking to tackle it with friends and family? Or looking for a big bank of questions for a pub quiz/quiz night? Here's what you will discover with this book: 720 multiple choice questions: Choose from 4 possible answers from each question. Unlike other quiz books we have seen out there - possible answers in The Ultimate Geography Quiz book are meant to be challenging and the possible answers are well researched to truly make you think - see below for more details. Challenging questions throughout. Made to really engage the brain cells, even for the die-hard geographers! Child/Family friendly questions: No sensitive topics are asked about within this book. Keep Score: Optional scoring system to measure your quizzing ability! Matte paperback cover for durability and ease of carrying, so your child can tackle questions at home or on the go. Tackle the quiz alone, with your partner, or make it a social event with your friends and family! Quizzes are great on commutes, and long drives - and equally as great as a social fun event for friends and family. You cannot go wrong with a quiz night! This book makes a perfect gift for adults and children with an interest in geography. Recommend age 12+ Question topics within The Ultimate Geography Quiz include, but not limited to: Country and continent names, size, borders and locations respective to each other. Mountain, mountain heights, mountain range and volcano names and their locations. Ocean, seas, marginal seas, and their locations respective to each other City, building, landmark and capital city names and location. Deserts, forests, jungles, glaciers! Country size, flags, language currency, religion, climate and population. Flag, flag colors, other flag attributes. Physical Geography jargon. World record facts regarding geography. Challenging multiple choice questions: We have seen several quiz books that have a poor selection of multiple choice questions, such as example below... What is the highest mountain in Turkey? A Mt. Whitney B Mt. Everest C Mt. Ararat D Mt. Cook Whilst this question is somewhat tricky in itself, the answers given allow most geographers to eliminate the 3 wrong answers quickly to come up with answer C. Instead of this approach, we have kept the quiz more like shown below to make this strategy of quizzing harder for the challenger... What is the highest mountain in Turkey? A Mt. Elbrus B Mt. Davamond C Mt. Ararat D Mt. Bazarduzu Although it may be easy for some seasoned geographers, this question, by the choices given is harder for the most part, and will hopefully trigger more conversation/thought before answering. Order your copy now for hours of endless fun. Be sure to check out other books in our range by clicking on the Author Page!

Provides answers and explanations to one hundred fifty geography questions, addressing which of the U.S.'s contiguous states is most northerly and what the most recently settled country in the world is.

Presents one thousand trivia questions and answers on various subjects, from biology and technology to mathematics, history, and popular culture.

How Many Countries Have You Visited?Human beings love to travel. All of us have a country, a city, a town, a destination, or a vacation spot that we love. And, as we travel, we learn more about the cities and countries of the world. But how much do you really know and remember? This book pits you against the best geography and travel trivia brains in the business to help you gauge where you stand on your Travel Quotient Knowledge Score.If you are a seasoned citizen of the world, you can expect a score of above 70%. If you are able to score 100% on all the questions, is your diet a combination of atlases and globes?Geography is fun. All of us know something about a few cities - this book will test that knowledge. The format is fairly simple: you will be given a series of cities in each set of questions. All you have to do is guess which country each city is in - you will, of course, be given options. We'll start you off easy, and slowly ramp up the difficulty.As you travel virtually through the most desirable destinations in the world, we hope that you can discover more about places you never knew existed, and that wanderlust awakens in your heart.The most common bucket list item for every human being is related to travel - whether it is to a special city, a special town, a special landmark, a mountain or anything else!After a long, difficult year, during which many of us were constrained to stay within a small geographical area, the future holds exciting promises of world travel, and this book is a geographical celebration of everything you can look forward to, from the point of view of tourism and travel, in the year 2021.In this book, you will test your knowledge of the biggest travel destinations and hotspots in the world, and see how much you really know about them.The top travel countries in the world in 2019 were the following:1. France2. Spain3. The United States of America4. Italy5. China6. Turkey7. Mexico8. ThailandAll of us have a country, a city, a town, a destination, or a vacation spot that we love. And, as we travel, we learn more about the cities and countries of the world. But how much do you really know and remember? This book pits you against the best geography and travel trivia brains in the business to help you gauge where you stand on your Travel Quotient Knowledge Score.If you are a seasoned citizen of the world, you can expect a score of above 70%. If you are able to score 100% on all the questions, is your diet a combination of atlases and globes?

Gary Fuller's entertaining and informative guide uses geographic trivia questions as a springboard to learning about non-trivial aspects of our globe. An enlightening book for all readers, it enhances geographic know-how with good, old-fashioned fun. Discover who named the kangaroo: where can you find Lakers and Salties; what chili peppers, pineapple, chocolate, and vanilla have in common; where Shangri La was; and who was the most successful pirate in the Caribbean. An inveterate traveler and geographer extraordinaire, Fuller provides extensive background, engaging maps and photos, and thorough explanations for each intriguing trivia question. Challenging today's global generation to truly get to know their world, his book is a delight to read and an essential antidote to our lack of geographical knowledge.

You'll find hundreds of awesome, challenging, and funny questions like these in this book. These aren't the kinds of questions kids learn in school.
