After witnessing a mob hit, surgeon Jack Francisco is put into protective custody to keep him safe until he can testify. A hitman known only as D is blackmailed into killing Jack, but when he tracks him down, his weary conscience won't allow him to murder an innocent man. Finding in each other an unlikely ally, Jack and D are soon on the run from shadowy enemies. Forced to work together to survive, the two men forge a bond that ripens into unexpected passion. Jack sees the wounded soul beneath D's cold, detached exterior, and D finds in Jack the person who can help him reclaim the man he once was. As the day of Jack's testimony approaches, he and D find themselves not only fighting for their lives... but also fighting for their future. A future together.

His sister ' s disappearance threatens to tear a boy ' s family apart Cray is the first to smell smoke. It ' s his 1st week on the job, working alongside his father at the family plant, and he ' s afraid of making a fool of himself. So he waits on the factory floor, the machines screaming and wood chips flying. But he ' s finally certain: The roof is on fire, and if the blaze isn ' t put out, the factory could explode. Cray calls the fire department and races through the building telling the workers to flee. He ' s amazed by how calm they are. The fire is extinguished, and life slowly returns to normal. But the true crisis is just around the corner. When Cray ' s sister disappears and the police search reveals no trace of her, he discovers fear affects everyone differently—and it ' s not always smart to stay calm.

After surgeon Jack Francisco witnesses a mob hit, he's targeted by a hitman known only as D. But when D's conscience won't let him murder an innocent man, the two find themselves fighting for their lives... and for a future together.

Dog trainer Katherine Driscoll's father has written to her offering help in her financial crisis, although they haven't been together since she was a baby. But then he gets killed by a tiger and Katherine resolves to investigate and uncover long-hidden family secrets.

Documents the sobering account of the 1953 kidnapping and murder of a wealthy automobile dealer's son, describing how former inmate Carl Austin Hal and prostitute Bonnie Heady successfully collected a lucrative ransom that was subsequently stolen by mobster Joe Costello. Reprint.

Robert Eversz's edgy and endearing heroine Nina Zero is back...and this time she's embroiled in her most dangerous case ever -- investigating L.A.'s underground S&M scene while getting caught up in sex, lies, and babysitting. It's opening night of Nina Zero's first gallery show, and her staged photographs of Hollywood pulp scenes are attracting the interest of actual art connoisseurs, not just the usual gossip rag readership. But the excitement of the evening shifts to alarm when Nina receives an anonymous package containing an amateur bondage video that may have ended in death. As she and her editor at Scandal Times watch the rape and strangling of a young woman, Nina Zero recognizes a distinctive tattoo on the woman's right shoulder, and suddenly realizes why one of her models has missed the opening. Who sent the tape? And more important, what happened to the woman? Nina starts investigating her model and discovers a parallel life of S&M phone sex, blogs written in code, an illicit relationship with a celebrity hypnotherapist, and ties to the son of a billionaire film director. Her Scandal Times coverage of

Where To Download Zero At The Bone Read Online

the case enrages the LAPD and attracts death threats from anonymous sources. Luckily, Nina has her trusted (but toothless) Rottweiler by her side, as well as a sexy but mysterious detective who keeps landing in her bed. Just when events begin to spin from her control, Nina's deeply dysfunctional family enters the fray, making life even more complicated for this ex-con with a soft heart and a chip on her shoulder. Set in a vividly sunny and sinister Los Angeles, Zero to the Bone is the best (and sexiest) Nina Zero novel yet.

For ex-detective Frank Swann, being on the outside of Western Australia's police force is the only way to get justice done. Perth in 1979 is a city of celebration and corruption. There are street parties, official glad-handing – even a royal visit – to commemorate a century and a half since colonisation. But behind the festivities a new kind of land grab is going on, this time for mining leases. The price of gold is up, and few are incorruptible before its lure. When Swann is hired to probe the suicide of a well-regarded geologist, he's drawn into a mire of vice and fraud that has at its heart a lust for wealth that verges on a disease . . . By the author of the acclaimed Line of Sight, Zero at the Bone lifts the lid on Perth at the start of the mining boom to show a town where Chinatown meets Underbelly, and where the establishment and the lawless blend into one. 'Full of crooked cops, corrupt politicians and rapacious mining companies . . . I really enjoyed Zero at the Bone.' Michael Robotham 'Has all the economy, pace, unexpected humour and local colour we've come to expect from David Whish-Wilson. Highly recommended.' Adrian McKinty 'The plot is unexpected and intriguing, the action intense, but best of all is Whish-Wilson's ability to draw characters so familiar they could be next-door neighbours. Beautifully written ... An absorbing read and thoroughly recommended if you love a great story. You won't want to put this one down until the very last page.' West Australian 'Satisfying turns [hold] narrative interest in a complex plot... This heavily researched and painstaking attention to detail skilfully captures the essence of Perth in the late 1970s and bodes well for Whish Wilson.' ABR 'Zero at the Bone is a gritty and utterly absorbing read... I'll be going back for more.' Good Reading

Late one evening in the summer of 2003, Erec Toso arrived home to his wife and children after an ordinary day at his university office. In the darkness of his yard, a rattlesnake lay along the path, basking in the post-monsoon coolness. Toso, lost in thought, never saw the snake, which struck him on the foot and injected a huge dose of venom. Zero at the Bone is a deeply personal narrative about Toso's physical recovery and emotional transformation following this near-death experience. In elegant prose that inspires as much as it unsettles, Toso takes the reader along with him on his expedition into the uncharted territory of cellular damage, hallucination, and ultimately profound spiritual awakening. On all levels, it is a book about pain. Toso spares no detail in his accounts of agonizing hospital procedures, in his revelations about rattlesnake lore, or in his descriptions of the wide-ranging effects of snake venom. But quickly the reader realizes that the physical pain of the snakebite is only the more tangible marker of the psychological pain and turmoil that Toso endures in the emotional journey that ensues. In the months that follow his terrifying attack, priorities, daily habits, family relations, and definitions of self all come into question. What is predictable becomes problematic; what is comfortable becomes disconcerting. In a story that hinges on a common fear about an unlikely event – that of a snakebite – Toso uncovers a more widespread reality that many of us do not fear enough – complacency.

Chappie is a punked-out teenager rejected by his mother and abusive stepfather. Out of school and in trouble with the police, he drifts through crash pads, doper squats, and malls until he finally settles in an abandoned school bus with Rose, a seven-year-old child, and I-Man, an exiled Rastafarian who will dramatically change his life. Together they begin an amazing journey...

Poetry. "Of the many ways of knowing the world, Stacie Cassarino in her elegant and poignant first book of poems, ZERO AT THE BONE, reminds us of the primacy of the senses. She tells us 'our mouths try to get it right' or that the 'mouth of the trees' will swallow us whole, by which she means taste is the most direct authenticator of experience and also the most defenseless because it's instruments of lips and tongue are eager. As a result, her great pre-occupation is with the vulnerability of human relationships, but as the title of the book suggests, Cassarino is fearless in her explorations of the risks. She knows 'you've got to live like everything will hurt you' "--Michael Collier.
